QUALITY RANGE  TRUSTED SUPPORT

Narrow Kerb Ramp - HDPE

Product Code 38-KRN

Specifications:

- Overall: 690(W) x 690(L) x 100(H)mm
- Width between sides: 610mm

Description:

The Narrow HDPE Kerb Ramp is designed to provide a safe means for pedestrian, trolley and pram users etc. to traverse a step or kerb side. They have a non-slip surface, are lightweight (only 4kg) and portable. Made from reinforced HDPE polyethylene, these ramps are 100% recyclable. Ramps can be stacked for transport and storage, and have handle holes. Area Safe Products cannot take responsibility for incorrect placement or usage of the Kerb Ramp. The wider ramp option should be considered if wheelchair access is required.

Please note:

It is the customer's responsibility to ensure that the product is suitable for the application and that it is installed in a correct and safe manner based on the customer's risk analysis.
